

You may have seen many of the family members wearing red bracelets to honor those who lost their lives in the crash of Continental Flight 3407 and to remind everyone of the work that still needs to be done to improve aviation safety in the United States. Additionally, President Obama proudly wore a red bracelet during his recent visit to Buffalo. If you wish to show your support as well, please send an email to **[Flight3407love@yahoo.com](mailto:Flight3407love@yahoo.com)** to place an order. Bracelets are \$2 a piece and any additional questions can be sent to this email address.
